an objection?   Senator Howard Peterson objects.   Senator
Beutler, you don't need to have an objection.   You can amend
your own amendment the way you want to.

SENATOR BEUTLER: Okay, let's proceed with it that way.

CLERK: Senator, I need to know what you're doing though,
please.

SENATOR BEUTLER: Okay, Mr. Clerk, I would move to amend my
amendment by tacking on to it the Newell sunset provision
which was just voted upon by the Legislature.

SPEAKER NICHOL: Okay. Any discussion?   Senator Howard
Peterson. Senator Howard Peterson.

SENATOR H. PETERSON: Mr. Chairman, it seems to me that we
voted once on the matter. I would object to that amendment
on the basis that we voted already.

SPEAKER NICHOL: Okay. Senator Beutler, do you wish to
close on your amendment to your own amendment.

SENATOR BEUTLER: Mr. Speaker, I would only say that the
vote on the amendment to the amendment was 24 to 2. We
obviously had a procedural fluke here.   So I would just ask
the Legislature to readopt the Newell amendment as an
amendment to my amendment.   It makes the sunset...it's a
sunset clause.   The sun sets on July 1, 1988. I move the
adoption of the amendment to the amendment.

SPEAKER NICHOL: The question is the adoption of the
amendment to the amendment by Senator Beutler. All those in
favor vote aye, opposed nay. Record, Mr.   Clerk. Senator
Beutler.

SENATOR BEUTLER: I hate to do this, but I guess I would ask
for a Call of the House and a roll call vote.

SPEAKER NICHOL: You don't need it with a simple majority.
Oh, on Select File you do. I'm sorry, sorry, slipped my
mind. The question is, shall the House go under Call? All
